

SFE Join us!

<https://www.sfecologie.org/adherer>

What is the French Ecological Society?

- Non-profit organisation that represents the French community of ecologists
- Aim: to promote ecological sciences in France through developing, integrating and sharing scientific knowledge
- Lead common actions with other societies and non-profit organisations to open a dialogue between scientists, managers and citizens

Why join us?

- Commitment : support the representation of ecology in the big debates of our society
- Visibility : benefit from an independant space for scientific expression
- Network : access thematic groups / event organisation
- Grants & Awards : get funding and recognition for my research

How to join?

- Fill the subscription form on paper (+ check) or online (+ credit card)
- Deductible from taxes (of public interest)
- Annual fees in function of incomes from 10€ (students) to >100€ (happy donors)
